

LA CLAYMORE
vigneron-récoltant

Château la HAUTE CLAYMORE 2015

LUSSAC SAINT-EMILION AOC

The name of **CLAYMORE** (Scottish great sword) is by itself sufficient to remember the English origins of this historic site where English and French soldiers fought during the One Hundred Years' War.

VINEYARD

-  Molasse du Fronsadais with muddy facies, calcareous and ferruginous sub-soils give this wine roundness, power and intense aromas of red fruits.
-  Age of vines : 25 years.
-  **MERLOT 85%, CABERNET FRANC 15%**

WINE

-  **Tillage cultivation** : simple Guyot pruning. Tillage, leaf thinning and green harvesting for better maturity.
-  **Harvesting & Vinification** : mechanical harvesting, rigorous grape sorting on a vibrating table before vatting. Traditional vinification in thermo-regulated vats. 5 daily pumping over, 1 release at mid-fermentation and long maceration to maximise extraction of aromas and tannins.
-  **Ageing** : One third in wood. Blending is performed after a 12-18 month vatting period. Natural cold decanting, racking and filtration prior to bottling.

TASTING

-  Deep purple colour with violet streaks. Bouquet of ripe fruits (tart cherries, blackberries, prunes). The mouth is full and voluptuous, full with fine but distinct tannins. A fresh finish and good length for the biggest pleasure of our papillae!
-  To be served with roast meats and poultry, legs and game, wine sauces, matured cheese, chocolate desserts...

INTERNATIONAL RECOGNITION

-  **14/20**, en-primeur tasting session, LE POINT magazine
- 14,5-15,5/20**, Special 2015 harvest, RVF magazine
- SILVER**, Bordeaux 2017 - **BRONZE**, Decanter 2017
- Prix d'Honneur**, Guide Dussert Gerber 2018
