

LA CLAYMORE
vigneron-récoltant

Château GRAND BARAIL 2018

MONTAGNE SAINT-EMILION AOC

Château GRAND BARAIL is situated on a clay-limestone mound overlooking the vast wine-growing area of Saint-Emilion, Pomerol and Lalande de Pomerol.

VINEYARD

Siliceous-clay soil with mangesien sub-soil giving the wine roundness, spices and elegance.

Age of vines: 20/30 years.

MERLOT 80%, CABERNET 20%

WINE

Tillage cultivation: manual simple Guyot pruning. Leaf thinning when the fruits start to ripen, and green harvesting to select the best grapes.

Harvesting & Vinification: mechanical harvesting with rigorous manual grape sorting on a vibrating table. Traditional vinification without the use of SO2 in thermo-regulated cement and stainless steel vats. Cold pre fermentation maceration during 5 days for extraction of the grape aromas. Daily fractionated pumping over. Then long period of maceration (around 25 days).

Ageing: 12 months.

TASTING

Intense colour. The nose opens with notes of morello cherries and blackcurrant. On the palate the wine is soft with beautiful silky and polished tannins, finishing with fresh notes and a beautiful sense of tension.

To be served with cured meats, grilled meats, roasted poultry, semi-matured cheese...

MEDAILLES INTERNATIONALES

GOLD, Feminalise 2020

SILVER, Vignerons Indépendants 2020
