Château GRAND BARAIL 2020

MONTAGNE SAINT-EMILION AOC

Château GRAND BARAIL is situated on a clay-limestone mound overlooking the vast wine-growing area of Saint-Emilion, Pomerol and Lalande de Pomerol.

VINEYARD

-  Siliceous-clay soil with mangesien sub-soil giving the wine roundness, spices and elegance.
-  Age of vines: 20/30 years.
-  **MERLOT 80%, CABERNET 20%**

WINE

-  **Tillage cultivation:** manual simple Guyot pruning. Leaf thinning when the fruits start to ripen, and green harvesting to select the best grapes.
-  **Harvesting & Vinification:** mechanical harvesting with rigorous manual grape sorting on a vibrating table. Traditional vinification without the use of SO2 in thermo-regulated cement and stainless-steel vats. Cold pre fermentation maceration during 5 days for extraction of the grape aromas. Daily fractionated pumping over. Then long period of maceration (around 25 days).
-  **Ageing:** 12 months.

TASTING

-  A beautiful intense garnet colour with deep purple tints. The nose reveals complex aromas of blackberry, raspberry and liquorice. Slight notes of liquorice are found on the palate too, with delicate notes of roasted coffee lingering on the aftertaste.
-  To be served with cured meats, grilled meats, roasted poultry, semi-matured cheese...

AWARDS

-  **GOLD, Feminalise 2022**
