LUSSAC SAINT-EMILION AOC

Score

**91-92 pts – James Suckling** April 7, 2023 – Some solid fruit in this wine with black berry and fresh herb aromas and flavors. Medium-bodied. Savory and juicy. Well done for the appellation.

**90-92 pts – Yves Beck** April 13, 2023 – Great delicacy on the nose. Good harmony between the wine maturing and the expression of the fruit. The palate confirms this delicate bouquet. The wine is elegant, harmonious and structured. The finish is fruity and long-lasting, perfectly enhanced by the structure. 2027-2037.
