# Château GRAND BARAIL 2022

## MONTAGNE SAINT-EMILION AOC

Château GRAND BARAIL is situated on a clay-limestone mound overlooking the vast wine-growing area of Saint-Emilion, Pomerol and Lalande de Pomerol.

### VINEYARD

Siliceous-clay soil with mangesien sub-soil giving the wine roundness, spices and elegance.

Age of vines: 20/30 years.

**MERLOT 100%**

### WINE

**Tillage cultivation:** manual simple Guyot pruning. Leaf thinning when the fruits start to ripen, and green harvesting to select the best grapes.

**Harvesting & Vinification:** mechanical harvesting with rigorous manual grape sorting on a vibrating table. Traditional vinification without the use of SO<sub>2</sub> in thermo-regulated cement and stainless-steel vats. Cold pre fermentation maceration during 5 days for extraction of the grape aromas. Daily fractionated pumping over. Then long period of maceration (around 25 days).

**Ageing:** 12 months.

### TASTING

This wine shows a beautiful intense garnet colour with purple tints, giving off scents of blackberry together with black cherry softened by a few vanilla hints. The frank attack is followed by gourmand notes of vanilla and red currant surrounded by elegant and supple tannins.

To be served with cured meats, grilled meats, roasted poultry, semi-matured cheese...

### AWARDS
